AMENDMENT

Sir:

In response to the Office action of 11/4/02, please amend the above-identified application as follows:

In the Claims:

Please cancel claims 8 and 12.

Please replace claims 1 and 9 with the following amended versions:

a1

1. (Amended) A golf-related contest and game apparatus comprising: a single hole golf course fairway, and positioned at one end of the golf course fairway, a tee-off area, and positioned at another end of the golf course fairway, a golf green with cup area; a field house structure positioned adjacent the tee-off area; the field house structure housing an electrical power source, and energized thereby: a first video capturing means, a video storing means, and a video playback means; the apparatus further comprising a second video capturing means positioned adjacent the golf green with cup area; the apparatus electrically interconnected and enabled for capturing on video tape, golf ball drives from the tee-off area and golf ball arrivals at the golf green with cup area, whereby golfers are able to obtain video recordings of golf play; and further comprising a motion sensing means adapted for actuating each of the video capturing means upon sensing motion in the field of view of each respective of the video capturing means.

a2

9. (Amended) A golf-related contest and game method comprising the steps of: providing a single hole golf course fairway, having positioned at one end, a tee-off area, and at another end, a golf green with cup area; positioning a field house structure adjacent to
